Welcome from the Superintendent

I am delighted to welcome everyone to the 2023 – 2024 school year. Whether you are a student, parent, teacher, or staff member, I hope you had a restful and rejuvenating break and are ready to embark on another exciting journey of learning and growth. The start of a new school year brings a sense of anticipation and opportunity. It is a time to set goals, forge new friendships, and explore new possibilities. I encourage you to approach this year with

enthusiasm and a commitment to excellence.

I am incredibly proud of the accomplishments of our schools. Consistently, our students have scored exceptionally well, earning the top marks in many testing categories statewide. These achievements reflect the hard work and dedication of the system, especially our students, teachers, administrators and families who go above and beyond to ensure that everyone thrives and has the resources they need to succeed. Our dedicated teachers and staff have been diligently preparing for your arrival. They have designed engaging lessons, created a nurturing environment, and are ready to provide the support you need to achieve at the highest levels. I am confident they will continue to inspire and guide you throughout the year. Even though our county continues its high rate of growth, this is the first time in several years that we do not have a new school opening. We will have a busy summer next year as we complete construction on two new K-8 schools opening for the 2024 – 2025 school year. They are K-8 School NN, located at 855 Timberwolf Trail in the Shearwater development and K-8 School OO, located at 1455 Twin Creeks Drive within the Beacon Lakes portion of the Twin Creeks development. Another new school, K-8 School PP, located at 2505 RiverTown Main Street in the RiverTown development is slated to open for the 2025 – 2026 school year.

Students, I want to remind you that education is a collaborative effort. Take advantage of the resources and opportunities available to you. Embrace challenges, ask questions, and push yourself to reach new heights. Remember, education is not solely about grades; it is about personal growth, character development, and discovering your passions.

Parents and guardians, your involvement and support are crucial to your child's success. Stay connected with your child's teachers, attend school events, and encourage open communication. Together, we can create a strong partnership that fosters a positive learning environment.

I am so thankful to have the opportunity to serve as superintendent of St. Johns County Schools. I sincerely thank every parent and family in our district for your continued support. I am excited about the possibilities that lie ahead. Let's work together to make this school year a memorable and impactful one. I wish each of you a rewarding and successful journey together.

Sincerely,

FLORIDA NewsLine

School Board meetings are held on the second Tuesday of the month at 4 p.m. at the School Board Administration Building at 40 Orange Street, unless otherwise posted.

Workshops are held at 9 a.m. on the first and fourth Tuesday of the month as needed.

The St. Johns County School Board has earned the designation of Master Board.

Dear St. Johns County Parents, Teachers and Students:

We at Florida NewsLine, publisher of The CreekLine, Ponte Vedra NewsLine and Mandarin NewsLine community newspapers, are pleased to continue our annual tradition of publishing the St. Johns County School Directory with this edition for the 2023 – 2024 school year. We hope you find the information it contains valuable.

Inside, you will find information about the school district, including a listing of the school board members as well as school board meeting information, a map of the schools, and guidance on how to enroll your child in school. Details for each St. Johns County school, including contact information and fun historical tidbits, round out the publication.

This directory is made possible through the assistance of St. Johns County School District Director of Communications Christina Upchurch and her staff

and through the generosity of our valued sponsors, whose advertisements appear in this issue. Without them, this directory would not exist and we encourage you to visit and patronize their businesses.

Finally, thank you, our readers, for your continued support of The CreekLine, Ponte Vedra NewsLine, and Mandarin NewsLine, as well as our other quarterly and specialty publications. For more than 23 years, you have welcomed us into your home and we are proud to be a part of our special community.

Best wishes from all of us at Florida NewsLine for a productive school year.

John A. Crookshank Elementary (CES), the home of the Cougars, is a proud Title I (PK – 5) neighborhood school located in historic St. Augustine. At CES, students are empowered to contribute to a connected society by offering a challenging and engaging academic experience. Students are encouraged to build a heart for their community and an appreciation for our diverse culture. The school focuses on the whole child, through an assortment of visual and fine arts programs, character education opportunities by means of a school-wide PBIS initiative, and physical development as part of the Extended Day program. The faculty and staff strive to build lasting relationships that maximize the learning and social experiences of students, so all students are equipped with a growth mindset and the skills necessary to address and overcome challenges they may face in the future.

Durbin Creek Elementary (DCE), home of the Explorers, displays planet Earth as their school logo. The school's history dates back to the opening of Fruit Cove School in 2001; DCE was, at the time, part of the K-8 grade student body. Current enrollment at DCE is approximately 1004 students. DCE offers a variety of enrichment opportunities through clubs such as Girls on the Run, Art Club, Student Council, Safety Patrol, and Chorus. The school's mission statement is, "Making positive contributions to society by expanding minds to explore our expanding world."

W. D. Hartley Elementary School (HES), home of the Hawks, is located in the community of The Shores in south St. Augustine. Hartley Elementary was founded in 1981, and currently serves approximately 600 students. The vision statement is that Hartley Elementary will grow a community of responsible, confident, caring and educated citizens. The mission statement is Hartley Elementary School will provide a safe and caring environment where every student's academic, emotional and social needs are nurtured and challenged. Teachers and staff work together on building relationships with students and building student character that will create a community in which children are inspired and empowered to attain their full potentials and embrace lifelong learning.

Hickory Creek Elementary (HCE) is the home of the Hawks and shares a larger campus with Switzerland Point Middle School. The two schools collaborate academically and socially throughout the school year. By identifying the way individual students learn, teachers prioritize academic rigor in an exciting atmosphere that emphasizes creativity and growth, and places children at the center of their learning experience. The mission of HCE is to inspire in all students a passion for learning and for achieving their maximum social and academic potential. The HCE motto is "First we love them, then we teach them."

Principal
Amanda Garman

R. B. Hunt Elementary School, is built on a belief that all children can learn. The staff works to provide children with a supportive, caring environment that develops self-esteem, self-motivation, and a sense of responsibility. The school also strives to provide every opportunity for maximum student achievement and to recognize and stimulate special talents in all students. The educational environment and the teaching strategies are designed to meet the goals and objectives of a strong curriculum. The overall vision is to prepare students to become responsible citizens and to take their place as productive members of the community. Education is a cooperative effort among home, school, and community and the administration at R.B. Hunt strives to build this partnership.

Principal
Dr. Joy Reichenberg

Opening on Sept. 8, 1972, the school was first known as Julington Creek School and served grades one through eight. Six years later, a multi-purpose room was added. During the 1970s, kindergarten and ninth grade were added. When Allen D. Nease High School opened in 1980, Julington Creek sent its seventh, eighth and ninth graders to Nease and the school became a K-6. Once Switzerland Point Middle School was opened in 1991, the sixth graders moved there making Julington Creek Elementary (JCE) its present K-5 elementary. The mission of JCE is to enhance the development of the total child by providing quality instruction in the core academics, related arts, technology/engineering and overall wellness. This is possible through rigorous academics, high expectations, continuous teacher professional development, various extracurricular student activities, collaboration with Fruit Cove Middle school, and strong community support.

Ketterlinus Elementary Grades K-5

Photo Credit: St. Johns County School District

Photo credit: Leonard's Studios

Principal
Kathy Tucker

Ketterlinus was named after Elizabeth Warden Ketterlinus, the oldest daughter of William Grey Warden. She lived in Castle Warden, which is now known as Ripley's Museum. Ketterlinus Elementary originally opened in 1924 as St. Augustine High School on land donated by Mrs. Ketterlinus. In 1928, the school board renamed the school from St. Augustine High School to The Elizabeth Ketterlinus High School. In 1981, Ketterlinus became a middle school serving sixth through eighth graders. Finally, in 1991, after major renovations were completed, it became Ketterlinus Elementary School (KES), home of the Dolphins. The school currently services students VPK-5. The mission of KES is to accomplish the highest academic achievement possible for each student in a safe learning environment that is staffed by caring, highly qualified teachers and staff. KES is founded on a belief that "all children can learn and succeed," but not on the same day in the same way. KES believes that increased student achievement, along with school safety, should be top priority and high achievement can happen through the initiatives on campus including the CHARACTER COUNTS! initiative, professional learning communities, connection between home and school, and challenging academic curriculum.

The mission of Otis A. Mason Elementary (OME) states, "We believe student success is fostered by a continuous commitment to improvement, which ensures well-rounded and motivated learners. We do this by maintaining a safe and dynamic learning environment, promoting high expectations for all students, nurturing determination, developing personal relationships, and involving our community." Goals of OME are to maintain a safe and dynamic learning environment, promote high expectations for all students, spark self-determination, develop personal relationships with all stakeholders, and involve our community. "The Mason Way" is one that nurtures a passion in every child for personal success, good character, and a desire to learn, explore, and better themselves as they grow to be responsible members of the community.

Ocean Palms Elementary Grades K-5

Photo Credit: Michael Clark, Webmaster, St. Johns County School District

Photo credit: Leonard's Studios

Principal
Tiffany Cantwell

Ocean Palms Elementary (OPE) opened with the vision shared by area students, parents, and the teachers of "Our focus is the child, diversity is the strength and assessment is the cornerstone to both learning and teaching." Ocean Palms, the home of the Otters, opened with Michael Parrish as its first principal and approximately 600 students. Mr. Parrish stayed until his retirement in 2011 and became legendary for knowing every child by name and something specific about them. He was the founder of this unique learning community that had a strategic focus on the "whole child," a decentralized structure and tremendous parental support that continues today. Each and every student is the focus, because at OPE, every day, everyone, and everything matters.

Photo credit: St. Johns County School District

Principal
Jessley Hathaway

Osceola Elementary (OES) is located just outside the historic district of St. Augustine. OES is a Title I School that serves students from pre-kindergarten to fifth grade. The school prides itself on having an exceptionally committed and dedicated staff, parents, PTO, and business/faith-based partners. OES provides its students with one-to-one contact with caring adults, a safe place to learn and grow, opportunities to give back to the community, and a healthy start. The mission is "Osceola Elementary will be a family of learners working to become successful in academic and social settings. By nurturing determination, grit, and a growth mindset in every student, we will create life-long learners." This belief reflects the vision that "Better Never Quits!" The teachers and staff strive to fulfill this mission statement through rigorous instruction that ensures every student learns at high levels as the school functions as a Professional Learning Community. In addition, Osceola offers resource classes in art, music, media, and physical education as well as extracurricular activities that include multiple music performance groups (chorus, Orff, violin, guitar), Chess Club, basketball, soccer, Kind Crew, and Girls on the Run.

How to enroll your child in school

All students must register at their home-zoned school. The school district Attendance Zones Locator (www.stjohns.k12.fl.us/zoning/) will identify the correct school.

REQUIREMENTS FOR CHILDREN TO BEGIN SCHOOL

1. Grade placement (Florida State Statute 1003.21)

- Voluntary Pre-K: A child must be four years old on or before Sept. 1.
- Kindergarten: A child must be five years old on or before Sept. 1.
- First Grade: A child must be six years old on or before Sept. 1 AND satisfy one of the following:
 - a) Satisfactory completion of kindergarten in a Florida public school.
 - b) Satisfactory completion of kindergarten in a non-public school.
 - c) Previous attendance in an out-of-state school in which the student was admitted on the basis of age requirements established by the state of residency.

2. Proof of Residency

Certain documents will be required to prove residency. A complete detail of these requirements can all be found in:

Residency process (www.stjohns.k12.fl.us/student/residency/)

Current students must update residency documentation before transitioning to middle (sixth grade) and high school (ninth grade).

3. Proof of Immunization

Florida Certification of Immunization, DOH 680 Form (Florida State Statute 1003.22)

Your local St. Johns County Health Department provides free pediatric immunizations. For additional information regarding immunizations, contact:

Florida Department of Health – St. Johns County

(904) 506-5081

200 San Sebastian View

St. Augustine, FL 32084

<http://stjohns.floridahealth.gov/about-us/>

For additional information regarding any health issue for school enrollment, please visit (<http://www.stjohns.k12.fl.us/health/>)

4. Other

- Copy of Birth Certificate

- Proof of Guardianship (if applicable)
- Physical/Health Examination (dated within 12 months of the student's first day of school)
- Social Security Number (optional)
- Academic Records (for students previous enrolled in another school). Although we will request the records from the previous school, placement may be expedited if you have the most recent report card, unofficial transcripts or grades, and the most recent test scores (mandatory prior to registration for Honors or Dual Enrollment classes). If you would like to complete the registration paperwork in advance, visit www.stjohns.k12.fl.us/student/enrollment/form.

If you would like to complete the registration paperwork in advance, visit www.stjohns.k12.fl.us/student/enrollment/form.

Palencia Elementary Grades K-5

Photo Credit: Michael Clark, Webmaster, St. Johns County School District

Photo credit: Leonard's Studios

Principal
Catherine Goodrich

Palencia Elementary School (PES) has been constructed to Green Building Standards and includes many unique qualities. Since the school opened, students have used technology seamlessly throughout the school day to enhance their understanding of core instruction and practice academic skills. The school's mission statement routinely comes to life, as "Palencia Pirates" (students, staff, and even School Advisory Council members) use much gusto to chant and act out with hand motions: "We are a C.R.E.W setting S.A.I.L. into tomorrow's world." Pirate staff teach young pirate students that C.R.E.W. stands for Creative, Responsible, Engaged, and Worthy, while the letters in S.A.I.L. represent Successful, Adventurous, Innovative Leaders. Two core values resound at PES: we are lifelong learners, and we take care of each other.

Originally named Hastings Elementary School, South Woods Elementary (SWE) is the home of the Eagles. Nestled in the southwestern part of St. Johns County, South Woods serves families in the rural communities of Armstrong, Elkton, Flagler Estates, and Hastings. The school is home to St. Johns County's first Community Partnership School, which extends opportunities to students and their families to achieve greater success: Health and Wellness, Expanded Learning Before or After school, and Collaborative Leadership. The success of students and families aligns with the school's mission and vision, which the administration, teachers, parents, and all other stakeholders share. South Wood's vision is that "South Woods students will communicate, collaborate, and solve problems in all academic areas to a high standard. Our students will have the necessary digital skills to perform in the school/home/workplace and the global society in which they live. Students will be lifelong learners that exhibit good character and contributors to their neighborhood, community, and world."

Timberlin Creek Elementary (TCE) is home of the Eagles and its mission statement is, "We are a family in which everyone is capable of success. We strive for social, emotional, and academic growth for all students fostering a love of learning, supporting creative thinking, and building exemplary character." TCE is a state-of-the-art school located in a rural setting in NW St. Johns County. The school is built on a 39-acre plot of land and consists of an administration building, five houses with eight classrooms in each, multiple playgrounds and a video production area. TCE fosters a positive school culture by embedding the CHARACTER COUNTS! pillars into academic, social, emotional, and character development domains of learning. The vision at Timberlin Creek Elementary is, "Every student matters, every moment counts."

Named after the Wards family, Wards Creek Elementary (WCE) opened in 2007. The inaugural class had the distinct honor of selecting the school mascot which became the Warriors as well as the school colors of black and gold. WCE opened its doors to 680 students. The current projection for enrollment in the upcoming school year is 1,115 students. The school provides services for students from pre-K to fifth grade. The mission statement is, "At Wards Creek Elementary, we ensure Achievement, Learning, and Leadership for ALL." The vision for WCE is to build and sustain a culture that provides a safe environment where all stake holders collaborate to ensure growth and achievement for all. Warriors "shine their LIGHT" by displaying character traits of Leadership, Integrity, Growth Mindset, Heart, and Teamwork.

Webster Elementary School (WES) was built in 1959 as a small neighborhood school consisting of two hallways. The school's namesake, James Webster, served as the first principal. From 1971 to 1982, Webster was a sixth-grade center. Many parents of current students attended then and were known as the Webster Warriors. In 1982, Webster Elementary began serving students in full-time Exceptional Student Education classes and children in grades pre-K through fifth grade. Four more wings were added that year, along with some permanent outbuildings. The school continues to pride itself on its diversity and the ability to meet the needs of children and families. In 2017, WES became a Community Partnership School, striving to serve the needs, not only of our students, but of our community. WES emphasizes the importance of college and careers and the skills needed to be successful in the 21st century. The staff strives to instill in all of their students the intrinsic motivation to succeed and always do their best. The school also uses an extensive PBIS system which reinforces positive consequences for positive decisions. Conscious Discipline and daily morning meetings help students develop positive character, learn self-control and good choices.

Principal
Gina Fonesca

Freedom Crossing Academy (FCA) is home of the Falcons. Located in the Aberdeen community, FCA will be celebrating its sixth year during the 2023 - 2024 School Year. FCA was recognized as a Bronze Level Tier 1 Model PBIS school for 2021 - 2022 and was recognized for a second year in a row as a Capturing Kids Heart National Showcase School for the 2022 - 2023 school year. FCA's goal is to continue its path to "Break Barriers" in the coming year. The design of FCA was a modification of Patriot Oaks and Valley Ridge Academies with the addition of a third floor that houses eight classrooms, three science labs, ESE classrooms, a Technology Lab, Business Lab, Skills Lab, and Resource Room. FCA's mission statement is "Falcons take FLIGHT!" The letters in FLIGHT encompass desired qualities for students and staff: Focus, Leadership, Imagination, Grit, Heart, and Team. The school vision statement is "Breaking Barriers." It is the goal for students, staff, and school to break the barriers that are holding them from the next step in their dreams and achievements.

Liberty Pines Academy (LPA) houses grades K-8 and is located in a suburban area in NW St. Johns County. The school is designed to provide each child with an education appropriate for academic, emotional, and social growth in the rapidly changing world. This goal will be achieved by creating positive, child-centered instructional opportunities for our students. The mission of LPA is "everyone is respectful, responsible, ready to learn, and focused on creating positive relationships." The vision at LPA is to ensure high levels of learning and expectations for all students and staff. Through our continuous collaborative efforts, students will have character, knowledge, and skills essential to pursuing their goals and dreams successfully throughout their lives.

The original Mill Creek School was erected in 1879. The fourth building was erected in 1928 containing six classrooms, an auditorium, principal's office, and an outside water fountain. Through years of transition, Mill Creek Academy (MCA) opened two new buildings at the beginning of the 2019 – 2020 school year to support the expansion of the K-8 academy. One building serves as the Academic building while the other building serves as the Athletic and Fine Arts building. MCA Academy continues to forge new traditions, "Leading the CHARGE of lifelong learning!" Mill Creek Academy will always be home of the "Mustangs - Learning for all," where faculty and staff have a relentless commitment in providing an education that meets the needs of each student.

Palm Valley Academy (PVA), home of the Bobcats, is one of the district's newest K-8 schools. PVA was designed to include high quality learning areas which feature movable walls between classroom teams as well as extended learning areas for collaboration opportunities. The school also includes state-of-the-art technology and excellent core facilities including a media center, gymnasium, cafeteria, playgrounds and physical education fields. The vision of PVA, "Building Purposeful Leaders Who Shine Through Achievement," shows that this is a school dedicated to ensuring that students and staff dream big, set goals, and continually work toward their highest potential. The goal is to make each school year successful for the entire school family. At PVA, "We Pursue Excellence, We Value All, We Achieve Success!"

At Patriot Oaks Academy (POA), the faculty and staff believe in children and all they can accomplish. This is a community that fosters character development, independence and a lifelong love for learning. Teachers and staff are driven by the mission which states "Committed to every student, every day," enabling children to reach their personal goals and potential. The community, primarily residing in the Durbin Crossing neighborhoods, plays a major role at this school with volunteering and supporting students — helping them be successful in this fast-paced and ever-changing world. Patriot Oaks ensures high achievement for all students, but focuses first on children to be "Good CHARGERS." The school community is committed to building relationships, collaborating together for every children's need, and to relentlessly pursue our curiosity.

Pine Island Academy opened in August 2022 as the third K – 8 in the Nocatee community. Nestled in the marshes at the end of Pine Island Road, Pine Island Academy, home of the Dolphins, excelled in building a culture of excellence embracing the vision and mission that was crafted by students, staff (staff and faculty) and community. The school's vision and mission drive the success of Pine Island and serve as the compass of why everyone shows up every day ready to accept any challenge with a heart of a champion giving nothing but their best. Pine Island leads "all in" as champions for learners. Students thrive in an environment that promotes self-efficacy where students believe in their abilities and work hard to achieve their goals. Pine Island is fully committed to creating an environment where students and staff show up every day, excited, joyful, and motivated to lead with passion, show love and compassion to each other, and are driven to do their very best in opportunities that are presented no matter the challenge! Pine Island embraces the needs of every student, every need, every day.

The school's primary goal is to create and sustain an environment that supports the success of every student, through the collaborative work of professional learning communities and by the deliberate practice of organizing students to interact with content. Landrum believes that every teacher is a literacy coach, and that effective implementation and execution of evidence based high yield instructional strategies will have a profound cumulative impact on student success. Landrum Middle School is committed and steadfast in its effort to provide meaningful professional development for the instructional and support staff that stoke a passion for lifelong learning and makes clear the vision of success for every student. School culture is strengthened the Landrum way: deliberately with clear focus on developing respectful, disciplined, diligent, responsible, and empathetic student learners. Student agency is encouraged and promoted; the notion that each student can and will influence their own thinking and actions. Landrum Middle School will forever honor its rich academic traditions and history of student achievement, as the course is set for the future success of all students.

Principal
Chris Phelps

Bartram Trail High School (BTHS), home of the Bears, was named after the William Bartram Scenic Highway and Bartram Trail exploration route in northern St. Johns County. BTHS is 190,000 sq. ft. on 120 acres of land. The school building is a two-story octagon with an open-air courtyard in the center. The courtyard features a V-shaped sculpture standing for "Victory" that was unveiled on Sept. 11, 2002 to commemorate 9/11. The sculpture was constructed using one of only 73 pieces of donated material from the World Trade Center debris and is believed to be the only piece in a high school nationwide and the only piece in Florida. The mission statement of BTHS is to serve as a center for academic excellence, community involvement and character development, while fostering a joy for lifelong learning. BTHS offers several academies including the Design Academy featuring architectural design, interior design and fashion design, the VyStar Academy of Business and Finance, the Information Technology Academy, and the Air Force JROTC.

Allen D. Nease High School (NHS), home of the Panthers, is named after Allen Nease, a pioneer in Florida's reforestation efforts and donor of the land on which the school was built. The school first opened as a junior/senior high school, but as the growth in NW St. Johns County rose, the school eliminated its junior high sector. The mission of NHS is "To inspire all students to be globally-minded and socially responsible life-long learners by providing a rigorous and differentiated curriculum in a safe and nurturing environment." The school has several programs of choice including International Baccalaureate, the Communications Academy, The Stellar Academy of Engineering, the St. Johns County Academy of Hospitality and Tourism and the Naval JROTC. Student life at NHS is diverse, with more than 80 student clubs and organizations from which to choose.

Pedro Menendez High School (PMHS) is located in southern St. Johns County. "Not for school, but for life, we learn" is the mission of PMHS. The PMHS vision is to prepare students to be college ready as well as successful in high school and beyond. PMHS focuses on reaching its mission and vision through focused teaching of the standards, analyzing data and results to guide the professional learning community (PLC) process in order to inform instructional practices, and providing intervention for students in all areas of need. PMHS focuses on student growth and development by providing opportunities for student leadership and continuing the school's unique emphasis on accessibility and inclusivity by encouraging and welcoming students of various levels and abilities to participate in all our programs of study. The Menendez Experience offers academy offerings in the areas of business (Vystar Credit Union sponsored), digital design, health science (Flagler Hospital sponsored) and architectural and building sciences (Florida Masonry Association sponsored). PMHS also offers International Baccalaureate (IB), Early College Program (with St. Johns River State College), and AVID (Advancement Via Individual Determination.)

Ponte Vedra High School (PVHS), home of the Sharks, has a campus that sits on a 78-acre site within the Nocatee community west of the Intracoastal Waterway. The school is home to the AP Capstone Diploma Program, Academy of Biotechnology and Medical Research, the Academy of Informational Technology, the Academy of International Business and Marketing, as well as the Academy of Future Educators. It is comprised of three connected two-story building clusters with an open courtyard in the center. The mission of PVHS is to "Empower Every Learner to Develop Good Character and to Achieve Success." Every decision, be it for curricular improvements or student enhancement, is crafted intentionally to equip students for their next step. Whether the step is starting post-secondary study, entering the workforce or serving in the Armed Forces, students have utilized the lessons learned at PVHS to be productive contributors to our local community and community at large.

St. Augustine High School (SAHS), home of the Yellow Jackets, is located in St. Augustine, Florida. SAHS was established as the first high school in the county in 1955. The mission at SAHS is, "Teachers, students, and stakeholders collaborate to build a strong school community through teambuilding, literacy instruction, and learning for college and career readiness for all students." The vision statement of SAHS is "St. Augustine High School is a school of positive and passionate culture builders who develop trust and respect while building a community that values all students. Teachers work with students to grow readers and leaders in all subject areas." SAHS offers several challenging academic programs with more than 200 courses from which to choose. In addition, they offer six academies and programs of choice including: Cambridge Advanced International Certificate of Education Curriculum Program (AICE), SJC Academy of Future Teachers, SJC Center for the Arts, SJC Aerospace Academy, Academy of Law and Homeland Security, and Army JROTC. The Yellow Jacket Nation is proud to be a cornerstone in the St. Augustine community where "Once a Jacket, Always a Jacket" echoes through generations!

Tocoi Creek High School (TCHS), home of the Toros, is centrally located in St. Johns County and serves the various communities in and around the World Golf Village and Silver Leaf areas. Bordering the St. Johns River, the historical settlement of Tocoi served as a mission, school and important waypoint for residents and travelers from various cultures moving and living throughout the area. The original Timucua village of Tocoi proved to be a strategic crossroad for cultural exchange, education, and economic development for a growing region and our Nation's Oldest City, St. Augustine. In addition to providing all levels of comprehensive academic programming, TCHS is proud to offer an Academy of Innovation in the Built Environment, Academy of Leadership in Emerging Technologies, Collegiate High School, and the Flagler Plus Academy of Future Healthcare Professionals. All programs of choice will prepare students to leave Tocoi Creek High School both college and career ready.

Stay Safe!

Parents, follow these safety tips to keep you and your families safe.

1: Learn how to perform CPR (cardiopulmonary resuscitation).

2: Know where the nearest AED (Automated External Defibrillator) is located and how to use it.

3: Install a Carbon Monoxide (CO) detector in your home.

4: Test your smoke alarms every six months.

5: Do not leave a child or pet in a locked car, the temperature can reach 100 degrees in minutes.

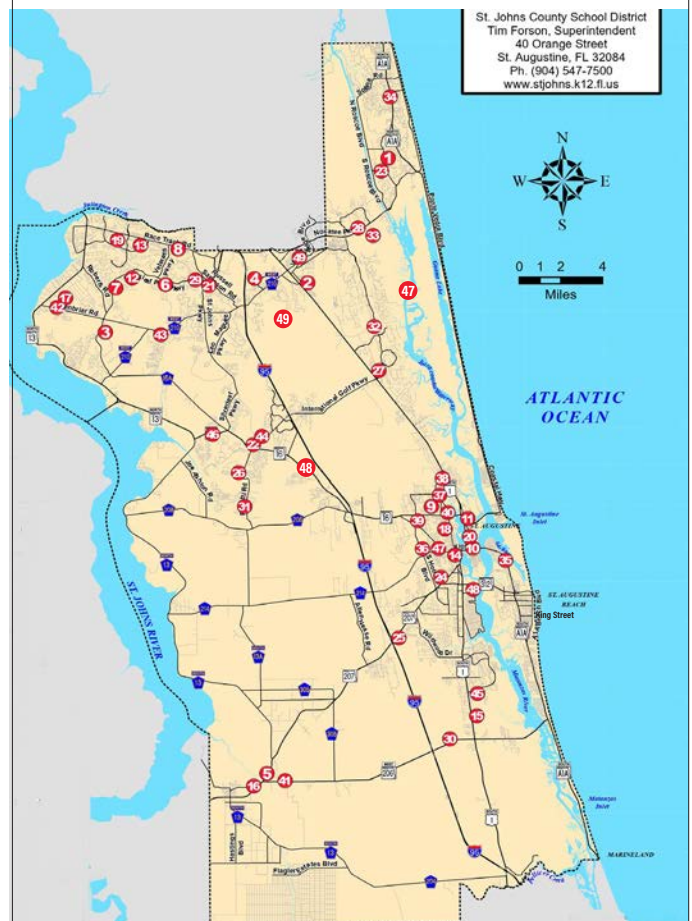

6: Never leave your car running in a garage or use portable generators inside enclosures.

7: LOL, OMG, RIP - Don't text and drive.
